

G-B INTERNATIONAL

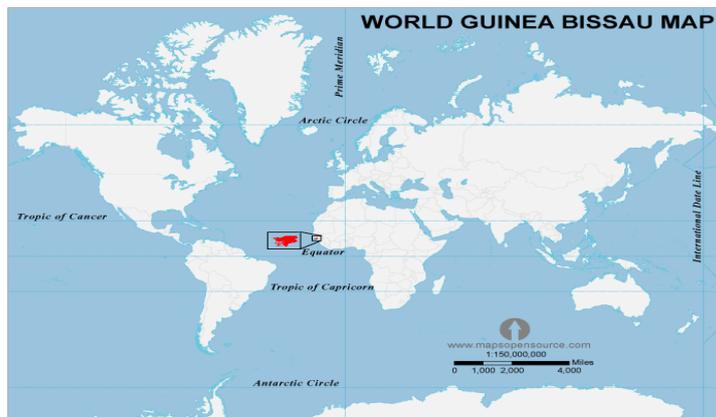

INTERNATIONAL SHIPS REGISTRY OF GUINEA-BISSAU

INTERNATIONAL SHIPS REGISTRY OF GUINEA-BISSAU MARKETING BROCHURE

1. PROVIDES QUALITY MARITIME SERVICES AT COMPETITIVE PRICES

G-B INTERNATIONAL (with official full title name “International Ships Registry of Guinea-Bissau”) is a private corporation, registered under the Greek laws, duly appointed and exclusively delegated by the Republic of Guinea-Bissau, Ministry of Transports and Communications, to manage, operate and administer the International Ships Registry of Guinea-Bissau, for the registration of vessels engaged in international trade.

G-B INTERNATIONAL strives to offer quality and cost-effective registration services. In addition G-B INTERNATIONAL is defined by a strong vision and commitment for the operation of a modern and high-quality registry, offering client-centered services and decisive support to ship owners and operators of international shipping. The corporation’s commitment to providing professional and up-to-date services is attributed to its highly motivated staff team. Thus, the International Ships Registry of Guinea-Bissau (GBISR) is managed by industry-experienced maritime professionals who understand the business of shipping and its modus operandi.

2. KEY OFFERINGS OF THE G.-B. I.S.R.

The activities and offerings under the International Ships Registry of Guinea-Bissau are governed and delivered following the provisions of the Code of Operation of the Registry as adopted by the State of Guinea-Bissau, including:

- ship & yacht registration
- vessel radio licensing
- mortgage inscription & recording
- seafarers STCW certification & seamen's book.

There is no restriction in ownership as all eligible internationally owned companies or individuals may register vessels under the G-B I.S.R.

The above services are framed with high principles of corporate ethics and performance.

3. AIMS AND PROSPECTS OF THE INTERNATIONAL SHIPS REGISTRY OF GUINEA-BISSAU

In the context of our corporate strategy and business objectives, G-B INTERNATIONAL outlooks to:

- Be recognized internationally as a well-structured, responsible, and modern international ships registry.
- Become one of the competitive and leading flag registers.

G-B INTERNATIONAL

INTERNATIONAL SHIPS REGISTRY OF GUINEA-BISSAU

- Pursue to develop and retain a distinct performance in all key Port State Control MOUs.
- Give effect to its legislative commitments based on the Guinea-Bissau Code of Operation and relevant IMO Instruments.
- Provide ship operators with professional and trustworthy ship registration-related services.

4. IMO-ORIENTED

The International Ships Registry of Guinea-Bissau monitors all IMO legislative developments and remains committed to the International Registry's regulatory context based on the respective IMO legislation. Since the enactment of operations of the International Ships Registry of Guinea-Bissau, the Republic of Guinea-Bissau has been a party to all major IMO International Conventions and Protocols, comprising currently overall twenty-four (24) International Instruments and hence ensuring the ability of G-B I.S.R. to cope efficiently with the updated certification requirements of the IMO International Conventions in force.
