**TOGO CIRCULAR FOR THE INTERNATIONAL AIR POLLUTION  
PREVENTION CONVENTION**

**DATE: 21/07/2016  
REF: 0012C/TG/07/16**

**To: ALL CLASS AND RO SOCIETIES AUTHORIZED BY THE TOGO MARITIME  
ADMINISTRATION**

**Subject: TOGO CIRCULAR FOR THE INTERNATIONAL AIR POLLUTION  
PREVENTION CONVENTION**

Dear Sirs,

This is to confirm, since Togo Maritime administration is not yet signatory of the International Air Pollution Prevention convention and in order to avoid any complications with the port state control; you are hereby requested to issue, for the vessels that will be or are being certified by your esteemed societies, a "Statement of Compliance" instead of a regular International Air Pollution Prevention Certificate until further notice.

Once Togo Maritime administration will sign the International Air Pollution Prevention convention, for which the required procedures are under process, you will be requested to replace the statement of compliance by a regular International Air Pollution Prevention certificate.
